## COUNCIL BRIEFS

- Looking for a perfect Mother's Day gift for mum? Plant a tree in her honour on Sunday, 9 May at our annual Trees for Mum event. We're planting trees between 8.30am and 12.30pm at Grey Gums Reserve in Cranebrook.

This year's event will be divided into 30-minute sessions with mandatory registration. As part of the event's COVID-Safe plan, all participants will be adhering to social distancing with tools being cleaned between each session.

For more information and to register, visit [penrith.city/events](http://penrith.city/events)

- Congratulations Agnes Banks, Badgerys Creek, Berkshire Park, Castlereagh, Cranebrook, Kemps Creek, Llandilo, Londonderry, Luddenham, Mulgoa, Orchard Hills, Mount Vernon and Wallacia for FOGOing since adopting the 3-bin FOGO service.

The Food Organics and Garden Organics (FOGO) service was introduced in July 2019 to those suburbs, and ever since, they've been FOGOing like legends and have diverted 4,251,000kg from landfill, that's the equivalent of 567 FOGO truck loads!

Separating organic items such as meat, bones, prawn shells, eggshells, coffee, tea, garden vegetation and even cardboard food containers like pizza boxes, means that it gets processed into compost which is reused within the community.

- Who says getting older means slowing down? Council's Reimagine Ageing Festival invites you to get active, try something new and connect with your community in COVID-Safe ways. Until the end of the month, we've teamed up with local community organisations to create a program of FREE, fun and exciting workshops.

Join a cooking class, a yoga session, brush up on your computer skills or learn more about staying healthy.
